### Bob to Embark on World Painting Tour

If you witnessed the creative genius of Bob Gammage there is no doubts that you were impressed by his talent and welcoming smile. Bob's paintings were auctioned at the Gala Dinner and raised significant funds for the Games. Thank you Bob and congratulations to all those who will continue to enjoy the Games through Bob's brush strokes.

Bob is embarking on a world tour later this year to promote 'no harm' and is looking for festivals or community events to paint in your country. He has requested that you please make contact with him and let him know what goes on in your community and city. Bob's email address is [rob2001@yahoo.com](mailto:rob2001@yahoo.com) or go to his website [click here](#). Don't be shy!
